Beloved Partners and Friends
 Secular or religious humanism is the Godless belief in the exaltation of man and his personal well being as the whole purpose of life. Religious humanists regard the universe as self existing and not created. Man is simply part of nature and has emerged as a result of a continuous process. It considers the complete realization of the human personality to be the end of man's life and seeks its development and fulfillment in the here and now. Social well being is to transcend all religious emotion expressed in worship and prayer.

In short, humanism is an attempt to function as a civilized society with the exclusion of God and His moral and Biblically based ethical principles. Humanism is fostered by the indoctrination of evolutionary science, materialism and moral relativism. According to them, the universe exists for no purpose and we are simply the result of a blind and random process that has no meaning.

How utterly absurd it is that intelligent men can believe such foolishness and idiocy. This is the vain philosophy of intellect that has exalted the mind above God and succeeded in driving prayer from schools and squashing all spiritual activity as being irrelevant and intellectually destructive. This is the work of strong lying spirits, seducing spirits and perverse spirits all designed to make men believe a lie and so lead them helplessly captive. This is blasphemy. A great king who had tasted all things in particular intellect and wisdom declared all things without God to be, "VANITY OF VANITIES!" Paul warns, "Because that, when they knew God, they glorified *him* not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened...Professing themselves wise,

SECULAR HUMANISM

they became fools...And even as they did not like to retain God in *their* knowledge, God gave them over to a reprobate mind, to do those things which are not convenient; Being filled with all unrighteousness... Backbiters, haters of God, spiteful, proud, boasters, inventors of evil things, disobedient to parents, Without understanding, covenant breakers, without natural affection, implacable, unmerciful: Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them."

In an age of political correctness and racial profiling that has intimidated Christians into silence the most frightening part of the whole secular humanism is that it has invaded the church and I am not speaking about the traditional denominations either. Those spiritual leaders, who believe in theory in the power of the Holy Spirit would rather trust in hospitals and medicine, psychologists and psychiatrists than God and His Word is frightening. That men of God would rather talk about God because it is not offensive rather than use His rightful name as the Lord Jesus Christ is shameful. Those mega church leaders compromise because they are seeker friendly and address congregations as if they are at a motivational weekend for corporate executives rather than preach the powerful Gospel is inexcusable. The Church of the west has a "form of Godliness but denying the power thereof." The 21st Century church like the early Gnostics has exalted knowledge above all else. There is need for a mighty revolution in the ranks of true believers to bring the Church back to being the glory of the Lord as He purposed. Amazingly in November 6th 2006 edition of Time Magazine no matter what American public opinion was of God and how people perceived Him, an across average of 71.5% of Americans want to see prayer in schools. This is not only an American phenomenon but a western one. If democracy is the "will of the people" then why does secular humanism still have such a stranglehold over entire nations? The answer is simply because the church is silent, indifferent or cowed.

Some serious and significant things are going to set the world stage in 2007. This is the year, I believe, of the generation following the budding

of the fig tree. The dye is set. There is a call of the Holy Spirit for individuals to become more Godly than there might be a mighty remnant upon the earth who may be used of the Lord to shake the earth one more time before His coming. It is long overdue that we lay aside our agendas and get into the mighty flow of the Holy Spirit for the Lord's purpose to be achieved. It is time to stand against Godless secular humanism especially in the Church and return to holiness, righteousness and the absolute belief in His Word and powerful preaching of it. Compromise is of the Devil and the church is in compromise because it does not want to offend. It is all about comfort, numbers and money.

REPORTS FROM APOSTOLIC CONFERENCE, FINLAND

27.11. – 9.12.2006 Janakkala, Finland by Pastor MK
 by Out of Africa Mission Organization www.outofafrica.fi
 Teaching and education: Pastor Michael Howard
 Pastor Roz Heyns
 Pastor Dutch VanderVlucht

Having attended a good number of different kinds of conferences and seminars, I have no hesitation in saying that, in many respects, this conference was outstanding concerning the end-time revival and harvest in Finland and in Europe.

Even now I am still digesting the spiritual meal of the conference and I am sure that nobody left the course without having had made an impact and influence in his/her heart. Many episodes took place out of the time-table and I want share just one of the spiritual facts that touched my heart in a very practical way. I will write more details later but here is a general principle and a picture given to me by God connecting with pastor Michael's teaching on the last day:

Christ in you (Col 1:27) is hope of glory
BUT

you in Christ is glory !

The greater in the less is a hope of glory but the less in the greater is glory.
 (Thus, lose your life for the sake of Christ, let fire consume your flesh...)

The most significant obstacle for every believer to achieve *the measure of the stature of the fullness of Christ* (Ephesians 4:13) is our own flesh. The most powerful enemy, the real spiritual Goliath, for everyone is our own carnal "self". Comparing demonic powers with our own flesh, they are already defeated enemies. If "Christ in you"-truth equals "You in Christ"-truth then something amazing starts to happen. Your flesh is crucified, dead and buried with the Christ and you, as a new creation in Christ, may live resurrection life with Jesus Christ.

Impact churches must abide in the heavenly realm, not in the carnal realm nor caught up in worldly matters!

The power of the new life in Christ is not a problem, the problem is our old carnal "self"-life!

The new life starts to flourish automatically when the old obstacles are dead. It's time for the body of Christ to be like the Head!

When this starts to happen in a great scale we may see the awakening of a sleeping giant, the body of Christ, the Bride, the victorious end-time church!

Thank you so much for the conference in Finland, it was so good!

Here comes some thoughts about the conference.

Two weeks of the apostolic leadership conference in Finland was life changing for me. The time of intercession every morning and praise and worship every night was wonderful. One night we were praising God, dancing and rejoicing for two hours. The time just flies away when you are excited about Him and enjoying His presence. We had good time of fellowship at the conference. It was wonderful to be together with people who are so in love with Jesus and are thirsty for more of Him.

The teaching was really good, deep but practical. What really spoke to me was that God longs for us to start to live the life as He has purposed us to live. He has created us. He has given each one of us gifts, He has called us. Isn't that wonderful?! So who am I to refuse to receive what He wants to give me. I have no options to refuse to do nothing else than the calling He has given me. Be where He wants you to be. Go there where He wants you to go. My life is worth nothing in living it for myself. He is my reason to live. All He wants of us is to love Him and to obey Him. When you are so deeply in love with Christ, you want nothing more than to obey Him. Start to live what God has purposed you to be. Rise up and start to do something for Him. He who has given us the calling, He will also equip us and prepare us. We are the body of Christ, we are here for to make an impact on people around us. We are here for to show the face of Jesus to the world. We are able to do it when we are close to Him (2. Cor 3:18). *Christ in us, the hope of glory!*

Maria

I was really blessed to come to this conference, where I met many brothers and sisters, who are really seeking God, and we could praise our God in the Spirit even not knowing each other's language. Consequently, a new home group began in my house that was inspired by the conference. We are meeting together, praising the Lord, and fellowshiping. We are truly blessed.

Laurynas from Lithuania

The seminar strengthened a fundamental in the process of building the church and led into those things that are of the highest priority in the apostolic ministry.

The restoration period, when we return back to the power of the first church is not only theoretical reasoning. That is the growth of a building that is built from the stones that are alive on the basis that was put by apostles and prophets and where the corner stone is Jesus Christ.

Kestutis Pastor from Lithuania

"I came to this conference knowing that I have a calling from God. After these 2 weeks I also know that I have to begin to do something. God's preparation time in my life doesn't mean that I can sit back and do nothing and suddenly He'll just dump a load on me and then I'm ready to function!

I now have a responsibility before God to put into action these apostolic principles and truths that I've heard. And as I begin to move, He'll move with me and give direction, anointing and ability to do all that He has called me to do!"

KALIBU ACADEMY

As you know we are opening the academy January 22nd. Four containers from China are on their way to Malawi with the furniture for the school offices as well as the bunk beds, mattresses, dining furniture and utensils and kitchen apparatus. The container that left Toledo a number of months ago and that was due to arrive in Malawi November 22nd has been delayed due to the normal African "hitches." First it was because there has been so much rain in Mozambique and the trucks could not get through, then it was because there were too many containers and not enough lifts.... I always find it amazing that the problems run in reverse order. Malawi Revenue Department would not clear it as duty free because the Ministry of Education would not register us until certain items were already in the school but those items are in the containers..... So we go round and around..... And around some more. Consequently our very patient contractor who went out for three weeks after Thanksgiving to train some of our workers how to paint left to come back to the States before the container with the paint ever arrived. AND it still has not arrived.

The official opening of the school will be in June of 2007. If anyone is interested in going to Malawi please contact the Kansas City office as soon as possible so that we can start working with airlines for block bookings. (816) 734-0493.

The following is a note that we received from the Chinese lady who has been helping us out with all that we have purchased in China. When we made the very first payment for the chairs the Chinese bank and the company that we were dealing with contacted us to say that they were so impressed by the speed with which we paid and with the way we conducted business. It is so important that we, as Christians give good impressions to the world especially remembering that we are dealing with Communist China and they know that we are a Christian organization.

"The factory has received the final payment. Every thing is fine. You are the most reputable customer. They trust you. Since the goods were of various kinds and also in large quantity, in order to all fit into the containers and not require extra containers (adding to shipping costs) there are items left unassembled, so you will need to assemble them in Malawi. The factory will try their best to provide the pictures and also the assembling procedure pictures to help you assemble them. I wish you a great opening of the Academy of Malawi. It is my pleasure to help and serve you. Love Linda"

Linda has been a real blessing and help in making various contacts for us, translating our various orders into Chinese and then dealing with the Chinese Companies on our behalf.

INDIA AND PAKISTAN

We have been receiving many invitations to India and Pakistan. The world is opening on so many fronts for the preaching of the Gospel. Indeed the laborers are few and it breaks our heart that we are unable to go ourselves at this time. Pakistan has been phoning and emailing and India wants teaching conferences. I received the following from Pakistan. If there is anyone who is working in either nation and would be in a position to go and hold crusades and teaching conferences please contact our offices in Kansas City. (816)734-0493

Greetings and Blessings from Pakistan.

Thanks for the much prayer support and courage. I want to give you a Praise report about the village 133 evangelism meeting. 12 people accepted the Lord as their personal savior, 10 people healed from different diseases many lives restored and commitment made to serve God faith fully. God moves powerfully and many people were blessed. 8 got water baptism. It was such a joy and great rejoicing that our ministry is growing.

On the end our team distributed Urdu Bibles, salvation massage tapes and tracts to the people.

I have some prayer request.

Pray for the Earthquake people, they have greatly need shelters and also for the orphans and food and education.

Prayer for the Urdu Bibles we need 500 for the villages.

Prayer for the Children Programme and also for the outreach team.

Prayer for the bicycles we want to bless 12 pastors.

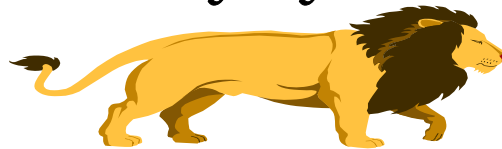

I look forward to hearing from you. Your brother in the Lord.

Ps. Emmanuel.

<h2>UPDATES</h2>

We trust that all had a blessed Christmas and New Year and pray that everyone is excited and anticipating what God has in store for us in 2007. Even the weather patterns are changing in alignment with the Word. Trees don't know whether to die back for winter or bud for spring. Snow fell ahead of schedule in the Mid West and since then it has been a warm winter. In Finland winter came very early taking most by complete surprise and leaving multitudes of road accidents in its wake because most had not changed from summer to winter tires. With all the signs around us it is time to awake from our lethargy and be about the Father's business. If we do not have a personal vision for the Kingdom (and we all should) then get one through prayer and fasting and hook into somebody else's vision until we have our own. At least be doing something productive for the Kingdom.
