Beloved Partners & Friends

A *good* name is rather to be chosen than great riches, *and* loving favor rather than silver and gold. (Prov 22:1) If you have a good name, you will have riches and gold. The same applies to a TRACK RECORD. The ministry of TRUE INTERCESSION has not been an easy path over many years but **the fruit of it is locked up in the track record.** I am able to look back over the last two and a half decades and say that everything that God has asked us to do, we have done and it has been a complete success. There has been Mozambique, India, Tanzania, Rwanda, Sudan, Finland ...THE NATIONS that are so big upon the heart of God. That is what true INTERCESSION is all about: carrying the nations in our hearts and addressing ourselves to only those ISSUES that are KEYS to UNLOCK STRATEGIC DOORS to one nation at a time. In Mozambique it was for the removal of the evil communist system through the death of one wicked president, Samora Machel. Peace brought such a dynamic change that the doors of the nation were flung open and the Gospel has been aggressively preached there ever since. In Sudan, it was the building of the Bible College and the raising up of a mighty army of prayer warriors and evangelists and pastors in the midst of that terrible war. Full peace was established that set an entire nation and even CONTINENT free. God has not called us to DARFUR but I have no doubt that if He did, lasting peace would be established there. Most people forget that Southern Sudan suffered for FIFTY years with the massacre of over five millions of her population and some 2 ½ millions in the final decade. Nobody cared, was interested or even reported anything about that war. Nobody was even remotely concerned about the genocide that took

place in Southern Sudan but God finally heard her cry, **our cry** and intervened to save that nation and yes, all of Africa from an Islamic takeover.

In place after place, country after country the Gospel has been aggressively preached, souls have been won, leaders have been raised up and strategic doors have been burst open for others to do greater works. We are TRAIL BLAZERS and wherever we have blazed, you have been there with us. We have solidly believed and invoked David's dictum, "For who will hearken unto you in this matter? but **as his part is that goeth down to the battle, so shall his part be that tarrieth by the stuff: they shall part alike.**" You, beloved, have tarried with the stuff over the many years that you have stood with us in the midst of storm, calm, abundance and real shortage.

In Africa here, when the natives have a heavy load to either move or carry – I am talking of a very heavy load such as pushing a loaded truck out of being stuck in mud or carrying a huge steel beam as we did for the great hall at the Academy – many will stand back and watch or make only a half hearted attempt to help their colleagues. It becomes patently obvious after a while that it needs one combined effort with concerted, maximized power to finally push out that truck. Suddenly everyone bends his shoulder **to the burden** and as they do, the natives begin to chant in perfect harmony that is simply marvelous to hear. With absolute unity of mind, soul and human power, they are able to carry the heaviest burdens or move the most obstinate object. Right now, we need your MAXIMIZED EFFORT to help us RIGHT OVER THE TOP. Whilst the Academy is up and running and is yet another incredible success story TO TAKE AN ENTIRE NATION FOR JESUS we need that absolute unity from those who are staying with the stuff. We need one last push to complete the job. If EVERYONE but EVERYONE READING THIS NEWSLETTER WOULD, IN COMPLETE HARMONY AND UNISON, simply buy any 6 of my books – you can purchase and pay by credit card on the website www.kalibu.org – for only \$50 we

would easily be over the top. Buy them and give them away or just simply buy them even if you already have a couple. All we need is \$70,000 to put us over the top. In four months time the Academy will be completely self-supporting.

I simply wish that each any everyone could enjoy the thrill of seeing the magnitude of this magnificent Academy in reality. More important, is what is happening as the students are giving their hearts to Christ and their lives are being transformed. As Christ comes in and brings HIS ORDER, so their academic abilities are exploding accordingly. I marvel each day at the blessedness of being able to freely preach the Gospel and see young people set free in an Academic institution is reality. This is the Lord's doing and it is marvelous. Please share our joys and victories as many of you have for the last 25 years as you have faithfully supported us and watched our **TRACK RECORD**.

CONTAINER

THERE IS STILL TIME!!! We are wanting to send a container to Africa depending on availability of finances. The school still has many needs. We desperately need items for the Geography classes and for the Biology, Chemistry and Physics classes. Maps, world globes, wall charts, are all requested. For all those teachers out there—please see if there is old equipment that is no longer used by your school that can be donated. We also need furniture and supplies for the cottages. We need books for the school library—reference books and Christian books which can be boxed and sent via Media mail. I have just moved and have a 10' truck load of things that I no longer need that I will be taking to Toledo. I know that you have plenty of things laying around in your basement, garage or storage areas that is in good condition and that you will not be using. We always have far too much in our homes. Please send to the following address:

ITINERARY FOR 2007

Pastor Michael will be coming to the States immediately following the official opening of the school in July. He will only be here for a month from

July 18th since he has to be back at the school for the opening of the new term. If you would like to have him come and speak please contact the Missouri office as soon as possible. It would be really good to have him for two or three days and hold special meetings so that he can impart something lasting to congregations.

Please call the office without delay:

------------------	------

Our thanks to all those who have given towards the house for Pastor Michael. So far we have almost \$8,000. What a blessing it will be for him to finally have his own place.

Please order the Intercession DVD's Pt 2. This is a teaching series on what to do and how to pray and what not to do. It is extremely enlightening and will definitely change your prayer life both personal prayer and group prayer.

Remember too to get your copy of "Lusting Again." This will help to illuminate areas in your life where you may never have realized you had a problem and show you how to fix it so that you might become a more effective vessel for the Kingdom of God.

We need supporters for pastors at \$30 per month. Many dropped their support at the end of last year. This does not mean that the pastor and his family no longer get support money but that we have to find it from other sources. This money is a tremendous blessing as it frees Pastors to travel more freely. Many have numerous churches they have to visit and they are able to do this if they are not concerned about trying to make a living each month. If you are willing to take on a pastor he will pray for you and write every four months. Please endorse memo line on your check, "Pastor support."
