Beloved Partners and Friends

I have become so acutely aware that this walk with the Lord is incredibly dynamic if we would only listen to Him and then obey Him. These are two sides of the same most successful coin in the hand of the Lord. Firstly, most people have a hard time listening and hearing but then to OBEY seems so much harder. These two aspects of our fellowship with the Lord are absolute pre-requisites for the intercessor. The Lord expends so much effort in speaking to us but we only want to hear nice, comfortable things. It is for this reason that the prophetic thing is so popular where believers rush off to prophetic conferences to get a word! The WORD we need to be getting is the written Word called the Bible. This is the mirror that Paul speaks of in 2Corinthians 3:18. But we all, with open face beholding as in a glass (mirror) the glory of the Lord, are changed into the same image from glory to glory, even as by the Spirit of the Lord. If we would only examine ourselves in His Word and be washed by the water of the Word, we would not need to get a cheap word at some so-called prophetic conference. Do I believe in personal prophecy? Certainly in the right time and the right place for the right reason and then it is only a CONFIRMING WORD not a DIRECTIONAL one. It must be remembered too, that the latent power of the soul can be so strong that you can actually DRAW ON the soul of any prophet who is not acutely aware of this power so that the prophet actually ends up prophesying only what you want to hear and not what you need to hear. This is nothing but soulish manipulation and is simply witchcraft. When the prophet supposedly tells you only what you want to hear because your soul power has drawn it from him, you then turn around

OBEDIENCE

and declare that the word is the Lord's and is confirming what you actually wanted, not what you needed to hear. This was the nature of the pillow prophets in the day of Jeremiah and Ezekiel who prophesied vanities by their own imaginations and took Israel down the path of destruction. How different is the convicting power of God's Word! As we look into the mirror of the Word, the blessed Holy Spirit is able to shine His powerful spotlight into the deepest recesses of our lives to convince us and convict us of the things that displease Him so that, with pure, transparent hearts we are able to stand before and petition the Lord. It is time to stop playing foolish religious games and repent of our soulish behavior of wanting to hear only what we want to hear and rather hear what the Lord actually has to say. I know that most believers are truly AFRAID of hearing god because they know that there are issues in their lives with which they need to deal but are not ready to do so. It is for this reason that the MOTIVATIONAL PREACHER of today has become so popular for he offers a placebo and not the real anointed cutting edge of the Word that will make one feel uncomfortable because of the convicting power of the blessed Holy Spirit doing radical surgery and washing with the water of His Word. Once heard, there is a necessity to OBEY. The excuses that we make before the Lord for non-compliance are simply amazing. One of the biggest excuses is why the Lord should use me. This is followed by a thousand reasons why it will not work until we have successfully justified ourselves out of obeying. Obedience is a very simple thing. It is doing what the Lord tells us to do, when He tells us to do it and where He tells us to go. The consequences are fully HIS. The consequences, however of non-compliance to the Lord, are fully MINE. To obey is better than sacrifice for disobedience is rebellion and is clearly declared by the Word to be the sin of witchcraft. Many believers are not in a true, intimate relationship with the Lord because they have disobeyed and until they are prepared to return to the point of obedience, the Lord does not have anything more to say and it is no wonder that intimacy has grown cold and the Lord is not speaking and visiting and moving in your life. Return to the point

at which you said NO to the Lord, repent and take the right turn and life will change. If it is impossible to do so then repent and ask for the Lord's forgiveness. Church has become dead religion for so many because they have just not obeyed when the Lord did clearly speak. For the intercessor, disobedience is as good as signing your own death warrant. To not do what the Lord clearly instructs no matter the difficulties, sacrifices and dangers means that your ministry is actually over until you comply. Jonah found this out in the depths of hell in the belly of the whale. He realized that the prison in which he found himself was far worse than going to Nineveh. What a pity that his final compliance was through strong coercion rather than a willing heart. How much sweeter is the victory for victory is assured when we obey the Lord when we proceed to obey with joy and a willing heart. Be-
 loved, look into the mirror and allow the conviction of the blessed Holy Spirit to bring you to a point of repentance where you have deliberately closed your ears because you did not want to obey or you have heard but willfully disobeyed. You cannot enjoy sweet fellowship with the Lord until and unless you repent and ask for His forgiveness and restoration. That then means you will

TESTIMONIES

Hello Passionate Intercessors;
 I write to say thank you to you my Brother Howard & to my Sister Roz. I was blessed beyond words during your recent visit to Charleston. I had no idea what I was in for and God used you both to just bless me and to ignite a passion and fire in me that I had been praying for as I was seeking God for death to self.
 After the worship experience on Tuesday, someone said are you coming to Emmanuel in the morning for the intercessory training. Well I thought, I could adjust my schedule and do that. I came and after the first worship song was sung the power of the Holy Ghost hit me in a way I had not felt before. Usually it is rejoicing and dancing, but this time it was tears of sorrow and a heaviness. I felt God wooing me to another place in Him and suddenly during your message as the Holy Spirit was impressing intercession in me I was responding that I was not an intercessor. The Holy Spirit went on to share how I have always been an intercessor since I was a little girl and how I interceded for my mother, father, sisters & brothers (10 - 4 with Sickle Cell Anemia) and then He said and you have interceded for all of your patients. By now I was totally undone!
 I was blessed beyond description during your teaching and held on to not fall prostrate on the floor and wail to prevent disrupting the word that God had given to you for us! I wanted to return for the evening session, but my pastor asked me to teach Bible Study at my church so I was not able to.
 Your books are powerful and I pray that will see you both soon. I want to know more about Africa because God told me that I would be going their for ministry a few years ago. Thank you is truly not adequate to express my love and appreciation for you both. Thank you for your faithfulness. Thank you for loving Jesus like you do. Thank you for sharing your love with us!

INTERCESSION CONFERENCE FT. WORTH TX

To God be the Glory!!!!
 This prayer coalition conference has really changed me. Thank God for you, for you have impacted my life through teaching us how to seek God, get into His presence and to pray what is on God's heart and mind.
 Most of all for teaching us what true intercession is all about. Thank you for teaching us and empowering us in the Lord to reach nations and people with the Gospel.
 I will never be the same again.

NSANJE CHURCH BUILDING PROJECT

Nsanje Church (measurement 15m by 7metres)

This Church building which is in Nsanje district (southern part of Malawi) is too small when we compare with the number of people which are there. It was built as the centre for all Kalibu churches which are in the Nsanje district.

When Pastor Michael Howard visited the church recently for a service, only a handful of the people attending were able to sit inside and most had to remain outside the church because the number of believers have grown so much there is no longer enough room for most of them. He saw this as a major problem and encouraged the members to build a bigger church.

For the new church, they have planned to mold forty thousand bricks (40,000). So far, twenty thousand bricks (20,000) are already made. The congregation of Nsanje church is responsible for molding these bricks. The money used has been contributed from different branches of Kalibu in Malawi as well as some branches in Mozambique. This is the first time a number of churches have banded together to see a vision to completion and it is exciting to see the churches working together in unity.

Overseer Pereira, Pastor Maso) and a deacon Mr. Gribert Lopan

The work of making an oven is already underway, as you can see on the photo above, members busy making an oven. The overseer Pastor Pereira said that they are trying to do this work quickly so that they should finish this project by November this year.

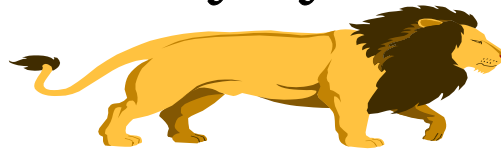

Nsanje pastors

“It’s our desire to build a bigger church than the one we have at Nsanje centre branch” encourages pastor Macdonald Maso. He also says that Pastor Michael Howard is a man of vision; we believe that what he says it’s always fulfilled.

The new church will be 28metres by 12 metres compared to the old one which was 15 metres by 7 metres. We are praying for the entire leadership of this ministry Pastor Michael Howard, Pastor Roz Heyns and Pastor Paisley Mavutulah that the Lord God Almighty should bless them as a team and also individually.

2007 ITINERARY

The meetings have been powerful as Pastor Howard has criss-crossed the United States.

With only two weeks left of the itinerary we would like to thank all those who organized meetings and all of the churches that hosted him. It is important that we seek to work through the local church and there were numerous churches who opened their doors to us even though they did not know us. Thank God for Pastors who still know how to hear from the Holy Spirit. It is not about taking a chance by having Pastor Howard come and speak when they have never heard him before but about hearing from the Holy Spirit.

Thank you to all of you who hosted us, accommodated us and took us out for meals. You are not a statistic but are part of our extended family and we look forward to a closer relationship if we have recently met you and a deeper relationship with those whom we already know.

May the Lord bless and prosper each and everyone during the next year and we look forward to seeing you in 2008. We are already working on the itinerary for August of 2008.
