Beloved Partners & Friends,

We are living in an age of massive deception where the very elect need to be careful and adopt a “BEREAN” mindset concerning the Word of the Lord and all that we are taught even by our most favored teachers and preachers. So many believers LIVE A LIE because they have believed a lie. Today we are taught from the earliest age to question right things and Biblical truth and demand our rights so that “every man does that which is right in His own eyes?” The Church has been bombarded with every wind of doctrine and not least, have we all been impacted by HUMANISM. The philosophy of humanism is that the purpose of all things and the end of all things is the happiness of the individual in particular and mankind in general. Presidents are now elected on this basis. Humanism has invaded the church. Humanism has made such impact upon the teachings of the age that it has infiltrated the very fabric of Biblical teachings. Most believers, led by evangelists and television preachers declare at best in one way or another, “Get saved, give your life to Jesus, serve Him, conquer the devil, escape hell and go to heaven.” At worst, the message is, “Get saved, give your life to Jesus, serve Him, conquer the devil IN ORDER to escape hell and go to heaven.” This teaching is so far removed from the real truth of Scripture so as to make it a false doctrine. Our emphasis on “saying the sinner’s prayer” is exactly what Jesus said when He declared, “Woe to you hypocrites! For you compass land and sea to win one proselyte, and when you have won him you make him twice as much a son of hell as yourselves.” The devils “believe and tremble” but they are still going to the Lake of Fire forever. Salvation is not the means to an end - namely heaven - as we have been taught and swallowed this LIE! Believing in the Gospel for the wrong reason is not sufficient for true salvation. It

## HUMANISM

is no wonder that we have lost the power and authority that Jesus promised us. We travel to the ends of the earth preaching the gospel, but which GOSPEL and with what purpose in mind? Is our preaching to save the poor lost so that they escape from hell? Why is it that I have preached in huge crusades in Africa and India and tens of thousands have seen the miracles and healings, raised their hands for salvation, said the FAMOUS or INFAMOUS sinner’s prayer, received Christ, become saved and have thereafter never joined a church or changed their life style? Something is seriously wrong! Why is it that we preach the gospel, establish a church, continue with the social gospel and see that church grow numerically on the basis of humanism and not real TRUTH? We have perpetrated and BELIEVED A LIE that the end of all things is the goodness and happiness of man even to going to heaven. NO, the end of all things and man’s WHOLE PURPOSE OF BEING and BEING SAVED is nothing less than the GLORY OF GOD. I am created for the glory of God! I am a poor, wretched, lost sinner that fully deserves hell with every other human ever born. I am brutish and utterly selfish and my whole life is a complete affront to a HOLY, RIGHT-EOUS, PURE, GLORIOUS, and utterly LOVING GOD and I deserve to be lost and condemned and go to hell. BUT, in His love, mercy and grace He has snatched me from darkness into His marvelous light for one purpose and one purpose only, HIS GLORY! The great passionate cry of Moses was, “Lord, I beseech thee, show me thy glory.” What a different cry emanates from the hearts of believers today and even if it is to see the glory of God, the motive and purpose are wrong. The church is utterly consumed with SELF! We want to grow bigger and better churches for our glory. We want people to come to Christ to escape hell. We long to see converts to grow numbers and become famous. We build schools and orphanages, clinics and hospitals and distribute food, clothes, literature and oh, sometimes the Bible in order to “save the lost” when the “lost” love their sin and wickedness and have all the evidence in their hearts and in creation around them that God is real but they choose to worship the creation instead It is truly time to accept that we have been duped and that we need to repent and see the real truth of the Scriptures. I am saved for the sole purpose of the GLORY OF GOD and

this must be my whole reason for living. If my whole life is lived to the GLORY of God could I or would I even complain if He consigned me to hell? God, you saved me for your glory. Lord, I live for your glory. Majesty, my whole purpose is your glory and I am honored above anything I could ever imagine to exist and breathe for your glory.

## GOD'S JUSTICE AND JUDGMENT

God's justice and judgment may take time but they certainly will work and that with finality. It is ironic that the 65% of white electorate in USA put an African American in the White House. He is already proving himself to be a NIMROD. The unbelievable fact is that 65% whites are so smitten with this president and his charisma that he can do nothing wrong and some have even gone to the lengths to suggest that the constitution be changed for him to complete three terms in office. This is utter foolishness. If Clintonmania was bad then Obamamania is even worse. Is this perhaps that America is finally being forced to come to terms with slavery? Is it for this reason that white people are idolizing (actually spiritual adultery) an African American and giving him carte blanche? Is it perhaps, "payback time" and few white critics will rise up because everyone fears being called "RACIST?" Without critics we create despots. How does this president under these seriously adverse economic conditions take the biggest entourage EVER at enormous tax payer expense each time he travels overseas and nobody says anything? Has judgment time come and white America will pay but in a way that nobody would ever imagine? In light of the following letter by Lou Pritchett, one needs to seriously take stock. From a purely spiritual viewpoint, how easy it is going to be for THE ANTICHRIST to seize world power when the world is so enamored with Obama.

## Retired Proctor and Gamble official sends an open letter to President Obama which the New York Times refused to print June 9, 2009

Lou Pritchett is a former vice president of Procter & Gamble whose career at that company spanned 36 years before his retirement in 1989, and he is the author of the 1995 business book, Stop Paddling & Start Rocking the Boat.

Mr. Pritchett confirmed that he was indeed the author of the much-circulated "open letter." "I did write the 'you scare me' letter. I sent it to the NY Times but they never acknowledged or published it.

*"Dear President Obama:*

*You are the thirteenth President under whom I have lived and unlike any of the others, you truly scare me.*

*You scare me because after months of exposure, I know nothing about you.*

*You scare me because I do not know how you paid for your expensive Ivy League education and your upscale lifestyle and housing with no visible signs of support.*

*You scare me because you did not spend the formative years of youth growing up in America and culturally you are not an*

*American.*

*You scare me because you have never run a company or met a payroll.*

*You scare me because you have never had military experience, thus don't understand it at its core.*

*You scare me because you lack humility and 'class', always blaming others.*

*You scare me because for over half your life you have aligned yourself with radical extremists who hate America and you refuse to publicly denounce these radicals who wish to see America fail.*

*You scare me because you are a cheerleader for the 'blame America' crowd and deliver this message abroad.*

*You scare me because you want to change America to a European style country where the government sector dominates instead of the private sector.*

*You scare me because you want to replace our health care system with a government controlled one.*

*You scare me because you prefer 'wind mills' to responsibly capitalizing on our own vast oil, coal and shale reserves.*

*You scare me because you want to kill the American capitalist goose that lays the golden egg which provides the highest standard of living in the world.*

*You scare me because you have begun to use 'extortion' tactics against certain banks and corporations.*

*You scare me because your own political party shrinks from challenging you on your wild and irresponsible spending proposals.*

*You scare me because you will not openly listen to or even consider opposing points of view from intelligent people.*

*You scare me because you falsely believe that you are both omnipotent and omniscient.*

*You scare me because the media gives you a free pass on everything you do.*

*You scare me because you demonize and want to silence the Limbaughs, Hannitys, O'Relllys and Becks who offer opposing, conservative points of view.*

*You scare me because you prefer controlling over governing.*

*Finally, you scare me because if you serve a second term I will probably not feel safe in writing a similar letter in 8 years."*

## JOY

How can I have joy and where does it come from? This is what I was asking God as I prayed and fasted the end of Last month. On top of that Pastor Frank was teaching about joy, he said if we are not joyful people how can God enjoy us? Even as he spoke my heart was crying out for God to give me joy. For the most part I have been a joyless person, Oh sure I covered it up with a spiritual front, but deep down I was miserable and keenly aware of it. On the way out of class that day I heard God whisper, "I have heard the cry of your heart." That night a gang of armed thieves broke into my house, the sound of the guard screaming woke me up so I was able to get out of their way, but they took almost everything I owned including my laptop and guitar. The days that followed I experienced the most joy I ever had. I began to realize that joy does not come from your physical surroundings, it's a miracle that God does in your heart. Miracles come from sitting at his feet and spending time in his presence! Joy is also a peace that passes all understanding, a joy that comes in knowing your heavenly Father takes pleasure in you!!

As Pastor Frank and I travelled up through northern Malawi preaching the last couple of weeks, this was one of the messages that I shared. We had three meetings a day for two weeks in three different Kalibu branches. Some were really hungry and thirsty and drank in everything we said and of course some were cold and religious and more interested in looking good in front of the white preachers but overall we had a really good trip.

The only Jesus the world will ever see is me and you, and if you walk around as a defeated Christian what kind of testimony is that to the world? Why would they want what you have? Why are there so many defeated Christians? Because so few Christians know what it means to be God's friend and if you think I'm not talking to you, you better think again.

God requires complete abandonment and surrender. But as soon as the Holy Spirit starts to work and dig deeper we start to squirm and complain so ungratefully we end up grieving Him! The deeper you dig a well the purer the water is, and if we let God dig down through the rocks, pure, fresh water will gush out, so when the Holy Spirit is dealing with you don't complain, he's digging deeper!! ## KALIBU CHURCH SERVICE

We moved our weekly church service for the boarding students to Saturday night instead of Sunday mornings. The meetings have been dynamic and there has been incredible response from the students. Many of the new intake have given their lives to Christ and at the beginning of June another 45 students elected to be baptised. Breaking of Bread is celebrated every Saturday night and the students minister and preside over this celebration.

We shared celibacy with the students at Assembly and have undertaken to purchase purity rings for those who want to keep themselves pure until marriage. Each teacher is taking a list of names for both boys and girls so that we can get these rings and send them out. A company in the US has offered the rings at wholesale prices and if you would like to help us purchase them we would be extremely grateful. At present we are looking at about 400. The rings are a silver band with the words, "True love waits," inscribed on them and they are offering them to us at \$10 along with a black velvet pouch and a commitment to purity card. We plan to have the students stand at one of the Saturday night services and make their commitment and then receive their rings. This is an exciting step especially when you consider that some of our students have had to repeat classes because of poor education prior to coming to us and are now 19 years old. We are fortunate that we can take this step instead of teaching classes on contraception and handing out the pill and condoms. God's way is always the best way—abstinence and purity until marriage which will prevent disease and unwanted pregnancies. Abortion is still illegal in Malawi!!!!

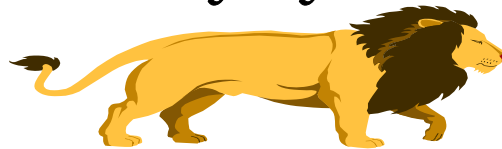

## A MOUNTAIN EXPERIENCE

We made two trips to the Michiru Mountain with the Academy students. We started our walk at seven in the morning and after four hours of climbing reached the peak. It was really a special experience for all the students as they are not used to climbing mountains and walking on foot. There, standing on the very top of the mountain, watching clouds traveling below the level of your eyes and seeing the hills, forests, fields and tiny villages below, and feeling the fresh mountain breeze gently touching your face, you suddenly realize how great and big and wonderful and amazing and magnificent is our God and how beautiful and perfect is all His creation! The students were amazed. They were thrilled by this heart touching view and they just sat still for a while not even wanting to talk. They experienced the closeness of God and, I believe, His love and joy during that wonderful time. They sang songs to the Lord and shared the Word and one from three student gave his heart to Jesus right there on the top of the mountain. Glory and praises be to God Almighty!
