Beloved Partners & Friends

The amazing depth of truth in Hebrews is way beyond our natural comprehension that it simply has to be spiritually understood. Do you realize that Jesus could not enter into the presence of Almighty God, His Father empty handed? He carried His own precious Blood that he had to offer upon the altar of God in heaven. And, because of that precious Blood, he also had another offering to present before God, namely you and me. Jesus, who is seated at the right hand of the Majesty in heaven, has become the great High Priest and Minister of the true sanctuary that the Lord has build; again, you and me. To think that Jesus is now the minister of this true sanctuary, my body, His dwelling, is incredible! How has He become the minister of this true sanctuary? He has done so by purging me forever of a guilty conscience. Under the Law, the conscience was never utterly freed from guilt and therefore, shame. To think that Jesus has utterly taken away the guilty conscience of the Adam nature is a marvel of marvels. To think that I never have to stand guilty again is simply fantastic beyond words. To think that I am utterly delivered from shame and all the trappings of fallen Adam is exciting beyond my wildest imagination. God does not see me **through** the BLOOD OF JESUS, He sees only the BLOOD!! That my conscience is purged forever of dead religious works so that I might please God in offering acceptable sacrifices such as the fruit of adoration is incredible. This fruit must come from the residency of the blessed Holy Spirit within, setting my life on such fire that it is the offering of salt that is an eternal covenant with the Lord. I can do nothing else than please God who has utterly cleansed me and purged me and brought me into a coveted place with Him. Can you not see the wonder of it all? Can you not stand fully clothed in Christ knowing that you are cleansed forever of a guilty conscience? Enter then into the fullness of the fellowship that He has prepared for you, yes, beloved, YOU! Why do we then hold on to guilt and shame that comes from a conscience that has not been cleansed? Firstly, because we still think like

Adam and despite the enormous truth of His Word we cannot simply accept it and believe it for what it says. Secondly we do not believe the blessed Holy Spirit who is the Spirit of all truth and leads us into the deep truths of His Word. We would, for the most part, believe men's seriously flawed interpretation of truth and flow with the general popular beliefs than dare to believe the incredible because it is safe to do so. Thirdly, we love the sympathies of men and would far rather remain in the prison of human emotions than walk in the responsibility of knowledge and freedom. And, here is a truth even more mind blowing. "For by one offering He has perfected FOREVER those who are being sanctified." The church is so wrapped up with Heaven or Hell that we have missed the greatest point of all. He - yes, He ALONE has perfected me FOREVER since sanctifying me. The work of Christ is a complete work. If it were not a complete work, then His sacrifice would have been vain and I would have no absolute security. "If it were possible for the very elect?" BUT, it is not possible because of all that He has achieved. I am eternally His because He paid the eternal price for me and He has done precisely the same for you. SHOUT right NOW for this great marvel and wonder of Calvary! Shout now that you are eternally His through His blood. Shout right now His praises and glory and your freedom from slavery. Shout right now because He alone is worthy and He did it and never failed. "Let us draw nigh with a true heart in FULL ASSURANCE (that is, not wavering) OF FAITH (that is simple OBEDIENCE to His Word and not my feelings) having our hearts sprinkled from an evil conscience?" or the consequences of the corrupt Adam nature. I still fall slave to guilt and shame because I continue to think Adam rather than Christ. I continue to believe that all His promises cannot possibly apply to me and that He cannot possibly mean what He says. A true heart is one that says, "I believe in the completed work of Christ and that completed work is for ME and it is so fantastic as to be incomprehensible to my finite mind but, nevertheless, I believe it." The full assurance has nothing to do with me but everything to do with Christ. There is now no condemnation in Christ when we walk after the Spirit and accept that His work is fully done for the "now!" As much as I am willing to believe and accept is as much as I will enter into HIS ASSURANCE and be free from the prison of an evil Adam conscience with all its guilt and shame for which the blood of bulls and goats could never wash clean but only atone. Christ has set me free NOW, FOREVER! Beloved, enter into the complete victory of a complete work: Christ has removed my evil conscience forever and given me full assurance with the Father and I have the witness of the blessed Holy Spirit that this is true. ONLY BELIEVE!

MALAWI HIGH SCHOOL SCIENCE FAIR.....AMERICA THE BEAUTIFUL	2

MALAWI HIGH SCHOOL SCIENCE FAIR

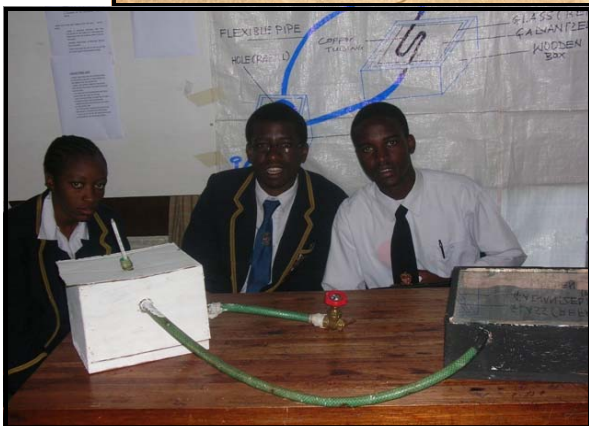

For the first time Kalibu Academy, the prestigious Academy in Malawi, participates in the National Science Fair, which took place at Kamuzu Academy, on the 27th- 30th of June. Twenty eight schools, from across Malawi participated and competed very highly. Kalibu Academy got the fourth position. The Academy was awarded a medal, K25, 000.00 prize money and certificates for the 4th position. The fair was organized by Anglia Book Distributors, the Department of Science and Technology and Malawi Switch Centre. The last national science fair was held in 1996 (13 years back). From this year on, the event is going to be annual.

The students made a solar water heater from locally available resources, as a way of educating the rural masses in the alternative energy sources which, once enormously implemented would reduce deforestation problems.

Presently, the students, with directions from the science teachers are working on a major project for next year's science fair which is scheduled to start on the 2nd of July, 2009. They are working on a biogas project. It is presently at the experimental level.

Our vision as an Academy is to stand out as the only institution in Malawi that does not only teach science for passing examinations, but also for providing solutions to challenge humanity in the modern energy crisis times.

On behalf of the Science Department, I would attribute our success in the fair to the sound management, under the Headmaster, Pastor Michael Howard and Pastor Roz.

AMERICA THE BEAUTIFUL

This poem is written by Judge Roy Moore from Alabama. Judge Moore was sued by the ACLU for displaying the Ten Commandments in his courtroom foyer. He has been stripped of his judgeship and now they are trying to strip his right to practice law in Alabama! The judge's poem sums it up quite well.

America the beautiful,
or so you used to be.
Land of the Pilgrims' pride;
I'm glad they'll never see.
Babies piled in dumpsters,
Abortion on demand,
Oh, sweet land of liberty;
your house is on the sand.

Our children wander aimlessly
poisoned by cocaine
choosing to indulge their lusts,
when God has said abstain
From sea to shining sea,
our Nation turns away
From the teaching of God's love
and a need to always pray

We've kept God in our temples,
how callous we have grown.
When earth is but His footstool,
and Heaven is His throne.
We've voted in a government
that's rotting at the core,
Appointing Godless Judges;
who throw reason out the door,

Too soft to place a killer
in a well deserved tomb,
But brave enough to kill a baby
before he leaves the womb.
You think that God's not
angry, that our land's a moral slum?
How much longer will He wait
before His judgment comes?

How are we to face our God,
from Whom we cannot hide?
What then is left for us to do,
but stem this evil tide?
If we who are His children,
will humbly turn and pray;
Seek His holy face
and mend our evil way:

Then God will hear from Heaven;
and forgive us of our sins,
He'll heal our sickly land
and those who live within.
But, America the Beautiful,
If you don't - then you will see,
A sad but Holy God
withdraw His hand from Thee.

------------------	------

We are looking forward to being with you during the month of August. There is always so much to share about the work of God throughout the nations.....there is always so much to share about what God would like to see for this nation. No matter what is happening it is our responsibility as Christians to intercede on behalf of our nation. How much lower do our nations have to become before we take up the call, fall on our knees and weep before the Throne? Rise up and be counted—the sands of time are running out.

Even though it has been some time since we sent a container to Malawi we are still collecting. If you have anything that can be used in the school or the cottages and of course the pastors and their families please send to the warehouse in Toledo. The address should read:

Please remember to give your best and not rags, broken objects etc. JESUS gave His best for us and we can do no less for others.
