Beloved Partners & Friends,

We are living in the most exciting and momentous of times where the opportunity to make impact for Jesus is enormous. This demands that we have his character and nature and we act like Him. The ONLY Jesus the world is going to see is YOU! So, what do they see? Are you a vessel passionately in love with Him and sold out for Him or are you consumed by the little foxes that keep spoiling the vine? Is there a pure fountain of the water of life flowing out of the midst of you or is your water tainted and bitter with the disappointments and frustrations of life? Are you bound by dead religion and full of disagreements and criticisms or are you full of life-giving vitality in the Spirit?

There will always be issues but what is important is the way in which we deal with them. We may act righteously as did Christ or act as do the heathen. Far too many Christians have seen the kingdom but failed to enter it. Even fewer have ever inherited the Kingdom. Entering the Kingdom is to live by the principles of the kingdom. This life will ALWAYS be inconvenient to the flesh. Serving Jesus will always be inconvenient to flesh as long as flesh is still alive. Put on Christ; think on Christ; live Christ and the soul – the flesh - will conform to Christ. Inheriting the kingdom is making those principles so work as to give you HIS KINGDOM AUTHORITY! There are so few people living Kingdom Authority and because Christians do not do so they allow the world and the enemy to manipulate them and walk all over them. Most believers are so badly informed about life because they look at life through the eyes of the world media and not the Word. It is pathetic how little discernment there is amongst Christians. If believers operated with a little more discernment and listened to the Spirit instead of being enamored with PEOPLE

TAKE UP THE CHALLENGE

PERSONALITY and worldly opinions they would be far better off and not so easily deceived and led astray.

There is coming one last visitation to this planet to sanctify the Lord in the eyes of the world and leave men without any excuse in the days of judgment that are coming. You WILL be around until the Lord takes up His church as He descends from heaven. It is time to live DYNAMICALLY for Jesus. There are many believers who need to snap out of limbo, retirement, disillusionment, laziness and criticisms and start living again. All that is required is to have a simple out loud conversation with Jesus and tell Him how you have been trapped in the cobweb of self and the enemy. Then, it is another simple matter of breaking the yoke and spirit of bondage and getting free. To prove and reinforce that freedom rush to tell someone and start rejoicing in the Lord and be determined to never allow the enemy to ever again steal away your joy and victory which was won at Calvary and is complete in Christ through His precious blood.

The whole earth is groaning and travailing to see the manifestation of the sons of God. They are those who live by the blessed Spirit in full Kingdom authority. They are those who fear only sin and have learned to inherit the land wherever that land may be. Do you realize that all the powers of darkness are watching you? (Eph 3: 10) You either give them a reason to be bold in blaspheming Christ or you cause them to flee. That is some power that has been given to believers and yet most know very little about it and fewer know how to stand in this power.

This is what success in the Kingdom is all about. It is not about having money, a good house or a good car or easy existence. Success is making positive progress in our walk with Christ until we know that we know that we are vessels of KINGDOM AUTHORITY living in His joy and completeness. This means that we know how to both be abased and abound but content in all things. This is MATURITY in Christ and so lacking amongst His people. It does, of course, take effort and a consistent walk to reach that goal and there must be a goal for which to strive. Most believers bumble along daily and never have a goal or target to reach in Christ. I am not speaking of achieving things in

ministry but of real goals in character change so that we become like Him. And, once we do, the world will stop in its tracks and take note. They may not agree with what they see, they may not like what they see, they may not understand what they see but see Christ in you they most certainly will. This must be our goal: striving to put on Christ. Labor to enter into His REST and when you enter in, you will know Him and enjoy Him forever. I challenge you to take up the challenge.

NSANJE WIDOWS

Many have responded to the plight of the widows since we first made our readers aware of the situation in the last newsletter. Thank you. We realize that many have called and are wanting to help even amidst their own problems with the present economic situation and we do not take this lightly. With that in mind we will stretch whatever we get as far as we possibly can just as we always do when you give to various projects.

We have a new warehouse for storage for things for the containers and encourage you to send your items to Toledo. As explained in previous letters we are needing household items for the modular units we are building for the Bible School. Anything required in a studio apartment will be needed for these units—bedding, (twin size) towels, curtains, sofas, tables, kitchen items (pots/pans, eating utensils, plates, glassware).

We will not be able to get a container out in time for items desperately required for the Nsanje widows and we have put together a list of their immediate needs which we would like to purchase in Malawi. Winter in Malawi begins in June and we want to supply the following for each of these women:

2 blankets

2 pieces cloth 4 meters each

1 sweater

1 pr shoes

1 pail for water

1 cooking pot

Plates and cups

The total for these items is \$100

For those who have been collecting clothing please do not stop as these can go to Toledo and be sent with the next container. Clothing can always be used for our orphans, elderly and those in our churches who have little or nothing.

Here is the address and contact details for the warehouse in Toledo:

Shekinah Ministries,

c/o I.C. Fluid Power, Attention Jordan,

63 Dixie Hwy, Rossford OH 43460

(419) 661-8811 ext 3006.

For those who would like to help with the immediate needs of the widows please send your money to the US address and mark it in the memo column for “Widows.” We know that some of you can only afford \$10. Please do not think that because you cannot send \$100 then it is not worth sending anything at all. Your \$10 combined with the \$10 of 10 others will keep a destitute widow alive this winter and also give us the opportunity to witness to them and win them to Christ if they are not already saved.

NSANJE CENTER

For many who have followed the building of the Nsanje outreach center in Malawi you will be thrilled to see that it is finally roofed and ready to be used. Despite the fact that we have made inroads throughout Malawi, Nsanje remains very close to our hearts. It is where we first began ministry in Malawi and also where we used to cross over from into Mozambique during the war years. It is hard to believe that all that took place some 25 years ago. For those who have never read “Love Constrained” by Michael Howard, I would encourage you to order it and read about our early days in ministry. God so wonderfully directed and came through for us in every area of our lives. Each day was a day of adventure with Him—not often comfortable but always miraculous.

It was in Nsanje that we held teaching conferences that pastors and leaders from war torn, communist Mozambique would walk some six to eight weeks to attend. Then they would return and share whatever they had learned with their many congregations. Many of these pastors are still working with us today and are a part of the work that Jim and Eileen Kirt are running from Morrumbala, Mozambique.

We still hold conferences there and it was decided that a center should be built. It has been built a little at a time with the people making the bricks, with the lumber being sent from Calibu Ministries in Morrumbala where Jim and Eileen run a timber business to support the work there and with various supporters here giving towards the roofing. THANK YOU to all those who have been a part of this project.

GENESIS CONFERENCE FINLAND

During the last weekend of April Friends and partners of Out of Africa joined together in Lahti, Finland for a conference. Pastor made it

to Finland despite the volcano in Iceland disrupting air traffic.

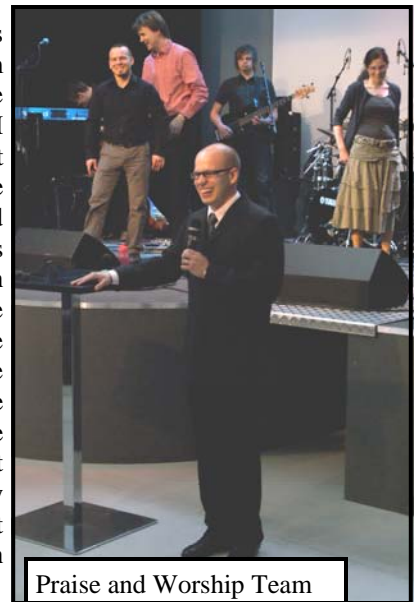

Bwana preached from the book of Genesis – “In the beginning.....” We were challenged by the lives of the Old Testament family of faith and God’s working in their lives in spite of their weaknesses and failures. He covered God’s handiwork in the Creation, the creation of man and then went on to the lives of Adam and Eve, Noah and Abraham – God’s friend. He ministered on God’s faithfulness in fulfilling His promises in the lives of His chosen regardless of their humanity. Isaac as a child of promise was God’s choice despite of his humanity and failings. That gives us hope as we seek to find and live out God’s call in our own lives. Bwana has this series of teachings on both DVD and CD and we would encourage people to order it.

As usual we had glorious praise and worship with the Praise Factory led by Andreas Wirth. People came from all over Finland. We had one young man who flew in From Switzerland. He had been given Bwana’s book, “Tales of an African Intercessor” when he

Bwana and Petri

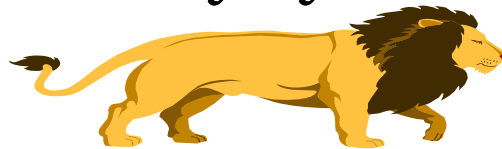

was on one of the OM ships and found out that Michael was to be in Finland. He said that he felt God has spoken much direction into his life during the conference and we trust that it was the same with everyone who attended. We pray that they left different from the way they arrived and that they will continue in

UPDATES

Please note that the Missouri office will be closed from May 20th to July 6th as I am going to Africa to spend some time at the school and then Bwana and I will be traveling to China. We have numerous factories to see while we are there for school supplies not only for the Academy but also for the International Bible School.

We will be meeting up with some friends from South Carolina and hope that we will be able to make the Shanghai Expo. We also have opportunity to minister. Please pray that doors will really open and that we will find favor wherever we go.

While I am away Alice Vanlandingham will take calls. You can call the office on (636)462-5540 and the call will be forwarded or you can call her on (703) 222-7999. She does have stocks of books and tapes for anyone wanting to order.

You can always email me at:
 shekmin@aol.com

I will have my computer with me and will be able to get your messages. Please remember that Bwana is here at the end of July and ensure that you make a note on your calendars for when he is in your area. We realize that it is hard to get out during week nights but he has a powerful and much needed message during these times. Do not miss him.
