Beloved Partners & Friends,
 What an amazing and vibrant conference we enjoyed in Chicago. It was deeply provoking extremely challenging and very spiritual. We touched the throne of the Lord in the new song and listened to dynamic messages that set the tone for the ministry for the next decade. So outstanding were testimonies of ordinary believers like you and me who the Lord had taken and exploded into ministry despite all their human weaknesses and failures. Using their different characteristics and qualities excellence in ministry whether a person is a vessel of gold, silver, wood or clay pointed to the same basic reason, namely, super obedience to the Lord and His blessed Holy Spirit. God does not need our gifts, ministries or abilities but our simple obedience. The great theme of the conference is that this is the day when the Lord is going to visit and use just ordinary believers to execute His most spectacular move ever to have been implemented on this planet. He is going to visit individuals and make them "super human" instruments for His glory. This will only happen if we are really right with Him. Things are happening so rapidly that there is no longer time to begin setting things in order in our life. This is a time to get so right with the Lord that we must be willing to lay aside the weight that doth so easily and often beset us and to press on to really know and love Him. There were twelve nations represented at the conference showing how a little loaf in the hands of the master may be greatly multiplied. Shekinah/Kalibu/Out of Africa is a small ministry but "DYNAMITE COMES IN SMALL PACKAGES." It is not the size of ministry that counts but the impact of the ministry. It was terribly fulfilling to see the fruit of years of labor and the promise of the Lord, "Ask of me and I will give thee the heathen for thine inheritance and the uttermost parts for thy

possession."
 The conference was not focused on the problems of the church but on solutions to those problems. It was very evident that the true solution is getting back to the basics and simplicity of the Word and obedience to the Word. The Lord gave a clear pattern to Paul, the apostle, for the New Testament church. That pattern in practice saw the explosion of the New Testament church that was set on right apostolic governmental order. It is long overdue that believers get back to the greatest purpose and reason for our whole existence which is simply to GLORIFY THE LORD! Is your whole purpose really and truly the glorification of the Lord no matter the personal price? The Lord is going to visit the planet again before His second coming to stir up a mighty army of super-charged believers who will "follow the Lamb whithersoever He goeth."
 The conference looked at five areas where the current Church has failed to meet the needs of believers and neglected to equip servants for His task. The fields are white to harvest and the laborers are few. Christ's answer is "pray ye therefore that the Lord of the harvest would send forth workers." Furthermore, the church has failed to equip two younger generations to carry the torch of faith and we need to seriously address this spiritual impasse. The five areas most needing attention so that we become true "Acts believers" are
 Kingdom Community living by Kingdom principles
 Intercession for empowerment
 Praise and worship to glorify the Lord
 Study of the Word using the five-fold ministry to equip the saints
 Making true disciples amongst who must be the young generation.
 The fellowship at the conference was very sweet indeed and, as ever, we endeavored to execute with the spirit of excellence. Pastor Roz did an exceptional ministry in organizing and the hotel and facilities were superb. Many more were scheduled to attend than actually came. How easy it is to be so busy that we miss the call of the Spirit. I cannot impress upon you all the seriousness of the hour in which we now live. The signs of the times are everywhere and we need to take heed. Jesus

is about to visit this planet but only to those who are waiting passionately to receive Him. Do not miss my book on the end times that will be out by the end of the year. It is a must and it is Biblically and eschatologically accurate. Keep updated through this newsletter.

With all that the Lord has said and continues to speak through His Word and by His Spirit, it is impossible to continue with "BUSINESS AS USUAL." Change must come. In the aftermath of the conference, we must examine ourselves in light of calling and performance and fine tune our lives and ministries to what the Lord desires to achieve in us and through us for His glory. What a glorious day in which to live and be a partaker of His immense riches. Never get side-tracked and never fall into the pit of bitterness and self-pity because life is not fair in your perception. Remember, the Lord is perfecting us through the issues of life to be His instruments of glory. If you did not get to the conference, get the tapes and through them, capture the spirit. You will be blessed and challenged to move to another level in your Christian walk.

SOUTH SUDAN TIES WITH ISRAEL

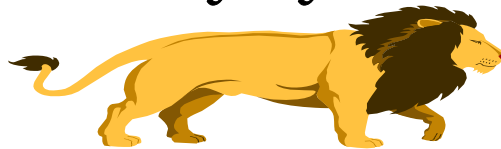

From ISRAEL TODAY September 4 2011:
 South Sudan has only existed as a country for a little over two months. But already in that time the fledgling nation has found itself embroiled in the Israeli-Arab conflict. And South Sudan has clearly marked itself as a friend of the Jewish state.
 During a visit to South Sudan last month by Israeli lawmaker Danny Danon, South Sudanese President Salva Kiir said that he was recently approached by Hamas and told he must sever all ties to Israel because Sudan is an Arab state.
 After reminding the Hamas leaders that South Sudan, unlike its northern neighbor, is not an Arab state, Kiir noted that there are Israeli embassies in Arab countries like Egypt and Jordan. Rather than cut ties with Israel, Kiir said South Sudan intends to strengthen its relations with the Jewish state.
 Demonstrating that his friendship for Israel goes beyond just words, Kiir reportedly agreed to Danon's request that South Sudan buck the international trend and build its embassy in Jerusalem. Every other nation in the world that has diplomatic relations with Israel refuses to accept Jerusalem as its capital, and instead those nations maintain their embassies in Tel Aviv.
 South Sudan's affinity for Israel goes beyond the diplomatic considerations of the current government.
 The young country's deputy parliament speaker, Daniel Akot, declared that "Israel is like a big brother to South Sudan," and recalled seeing more than one person waving an Israeli flag when South Sudan declared independence on July 9.
 Danon and Kiir also discussed the many black Sudanese refugees currently living in Israel after fleeing oppression by Arab militias allied with the Sudanese government in Khartoum. Kiir asked Danon to help facilitate vocational training for the refugees so they can return home and become productive and successful members of their new nation.

KATI SPRATT, FINLAND

Kati is our Administrator in Finland and came to the US for the Chicago Conference where she interpreted. Her trip was two-fold. From the conference she went on to Houston where she got engaged to Chip. Our congratulations to you both and we pray that the Lord would open doors for you both and pour out His blessings.

UPDATES

Don't forget the container!!!!

We plan on sending a container out to Africa in the Summer. We have been donated a vehicle for the school which is full of items for our new school clinic. This clinic will not only serve the school but also the Bible College once it opens. There has been a hitch as we examine how best to get the truck into the container as the canopy is a little too high to fit. Any suggestions from any engineers out there would be invaluable at this time. . If you have anything you would like to send such as clothing and kitchen requirements for the elderly OR items to furnish the Bible School studio apartments please send them as soon as possible to:

Shekinah Ministries,
c/o I.C. Fluid Power, Attention Jordan,
63 Dixie Hwy, Rossford OH 43460
